Welcome to PHỞ 90

At Pho 90, we believe that every dish tells a story — a story of heritage, tradition, and the love of Vietnamese cuisine.

From the rich, comforting flavours of Saigon to the delicate culinary traditions of Huế, our menu reflects the memories, experiences, and passion we have carried throughout our culinary journeys.

Every dish is thoughtfully prepared with respect for its origins, using carefully selected ingredients and time-honoured techniques. Our goal is simple: to preserve the authentic flavours of Vietnam while sharing them with every guest who walks through our doors.

Thank you for being part of our journey. We hope every meal at Pho 90 brings you a little closer to the heart of Vietnam.

With warmth and gratitude,

Chef Hung Ton & Chef Sang Nguyen
